## **MAIORA 24s – LEX**

LEX is a 26 metre luxury superyacht available for charter in the Balearic Islands. Designed by the prestigious Italian shipyard Maiora, its lines are modern, elegant and attractive. Refurbished in 2015/2016, it has state-of-the-art technology and the latest in automation systems. LEX has capacity to accommodate up to 10 persons in 4 double cabins (2 junior suites and 2 double cabins with extra beds). All have en-suite bathrooms and are equipped with satellite TV and DVD players.

The yacht offers its guests high-speed Wi-Fi and a top quality sound system, made up of Bose equipment and wireless audio systems throughout the vessel's common areas. In the summer, LEX has its base port in Ibiza, although it is available in the whole of the Balearics, as well as other destinations upon request. Compared to other yachts of the same length, LEX stands out for its modern design, its technology, the attention to detail and elegance of its interior design and the extensive flybridge outside, characteristic of boats of much greater size.

LEX has a fantastic professional crew of four: a captain, a chef and two sailor-assistants. All have been trained to satisfy even the most demanding customer's needs with a smile. This is why LEX is the best choice for enjoying an absolutely unique and unforgettable holiday.
